

10th May 2024

Dear Parents and Carers

As part of our history topic on the Victorians, Saturn Class are having an immersive Victorian morning in school on Friday 17th May 2024.

The classroom will be set up as a Victorian schoolroom and children will get to experience what life would've been like as a school child in those times. They will take part in a range of Victorian style lessons and playtime activities. This session will form the basis for their writing outcome in Literacy for the remainder of this half term.

To make the day as immersive as possible it would be lovely if the children could dress up in Victorian costume (see ideas below), however if your child is not comfortable with doing this then normal school uniform is fine.

To attend the day children will need to bring in an apple for their teacher and a penny for their school fees (this will be returned at the end of the day).

We hope your child enjoys this experience and that it helps to engage them further into their topic.

Thank you for your cooperation.

Yours Sincerely

Wendy Moon
Saturn Class teacher
