Dear Parents and Carers

Finally the sun has arrived!

At Light Years School we encourage sun safety and keeping ourselves safe. With this in mind, we ask you to please ensure that your child arrives at school with a water bottle every day, has had sun cream applied in the morning and that they have a sun hat with them in school where possible.

We would also like to offer parents and carers the opportunity to send children into school with a bottle of named suncream for them to re-apply this during the day. These will be kept in a box in the classroom and will only be accessed with staff supervision. Please be aware that staff are unable to help your child to apply suncream and they will be responsible for doing this themselves. It may be easier to send in a roller suncream as this is easily applied and results in slightly less mess!

If you would like for your child to have a bottle of named sun cream in school for their personal use only, please can you complete the consent form and return this with the sun cream.

Kind regards

S Alden
