

Tuesday 4<sup>th</sup> June 2024

Dear Parents and Carers

**School Visit to Winchester Science Museum – 17<sup>th</sup> June 2024**

We are excited to let you know that we will be visiting the Winchester Science Museum on Monday 17<sup>th</sup> June 2024, to support the children in their learning. The visit will combine Math, Science, STEM and Music! To support our children, we are attending a SEN session where they keep noise to a minimum to ensure the children feel as comfortable as possible.

During the visit we will get the opportunity to be adventurers and explore the science centre and the planetarium, looking at the planets in our solar system and the moon. The visit will also include a workshop on 'destination space' in the morning.

Children will need to bring a packed lunch on the day and a rucksack to carry it in. If your child usually has a school dinner, please ensure they still bring a rucksack as a packed lunch will be provided for them. Please provide a water bottle for the day as there are places in the centre to refill their bottles. School uniform is required for the trip.

The minibus will leave school at 9:30am and return to school in time for normal pick up at the end of day.

Please sign and return the permission slip below to the school office not later than Thursday 13<sup>th</sup> June 2024.

Yours Sincerely

Jade Sparkes  
Class Teacher
